Section 22: Notes on Enrolment Procedure

- An application enrolment fee of $95.00 should accompany this application. This fee is not refundable. The application does not guarantee entry into the school but places your child on an interview list.
- Entrance to the school is at the discretion of the Principal. An interview, previous school reports and date of receipt of application are all factors which may be taken into account in offering places at the school. Preference is given where possible to siblings of children already attending the school or children of alumni (former students) of the school.
- Entry (Local Students): Unless otherwise advised, the school will contact you prior to commencement date for an interview. Where possible, successful applicants will be advised at time of interview.
- Entry (International Students): Unless otherwise requested to do so, the school will contact you (or your Education Agent) approximately 6 weeks before the time of proposed entry for a telephone/video conference interview. It is following this telephone interview that the Principal will offer successful applicants LETTER OF OFFER at the school. Upon receipt of your Letter of Offer, all fees (as outlined in the letter) must be paid in full for the first year. Once the school receives your payment, an official ELECTRONIC CONFIRMATION OF ENROLMENT (eCoE) will be provided to you. International Students should use this eCoE to apply for their Student Visa through the Australian Immigration Dept.
Section 23: Conditions of Entry and Retention of a Place at The Kooralbyn International School

General Conditions

- Students are to attend school throughout the year.
- Students are to abide by all school rules including the proper wearing of the prescribed school uniform.
- The school operates under a strict code of Merits (for good behaviour) and Demerits (for bad/inappropriate/dangerous behaviour). A small number of Demerits may result in a student losing simple privileges. If a student’s Honours tally reaches five (5) Demerits and above, the student’s parents/guardians will usually be required to discuss the matter with the school Principal and to show cause why the student should remain at the school. A student who is clearly not prepared to accept the philosophies and objectives of the school, is disruptive to staff and other students and such will be placed on probation under the bylaws and regulations of the school board. If a student on probation manages to bring their tally back down to five (5) Demerits or less, they can be taken off probation. If student on probation is issued TWO (2) DEMERITS in any ONE WEEK, he/she will be expelled from the school. For this reason, the Honours System should be taken very seriously. A full explanation of this ‘Honours System’ is provided during the induction of every student and parents/carers can obtain copies of the explanation from the school at any time.
- The school is to be advised of any medical condition or special medication required by the student. The Principal is authorised to act on the behalf of the parent/carer in a medical or other emergency if the parent/carer cannot be contacted.
- In the case of Boarders, the Principal has the authority to give permission on behalf of parents/carers for students to participate in authorised school excursions and activities.
- Parents/Carers herein assign to the school, permission to use any school-produced photographic, video or digital recordings (visual or auditory) depicting the student for any promotional or educational activities as approved by the school.
- Parents are expected to cooperate with the school concerning matters of discipline, attendance, completion of prescribed homework and the proper wearing of the school uniform. The Rules & Regulations of the school may be altered or added to at any time by announcement at school assembly.
- The Principal (or the Principal’s nominee) reserves the right to discipline, suspend or expel any student whose attitude or behaviour is not conducive to the school’s welfare.
- All school fees are payable in advance of each year (or part thereof). An account will be rendered in advance, with the due date for payment being the first day of term/year. A student’s enrolment may be cancelled if the fees have not been paid by the due date, unless arrangements have been made with the Principal regarding late payment. This condition is also applicable to Mastery and Excellence Programs.
- ONE FULL TERM’s notice is required in writing by the first day of the term prior to which a student intends to leave the school, otherwise a full term’s fee is payable in lieu. If the student is forced to leave in an emergency, it is at the Principal’s discretion as to whether this full term’s notice will be required or not.
- Information about the residential addresses of all students of federally funded schools in Australia is required under Federal Government funding requirements and parents herein provide their permission for the school to provide such information to the appropriate government agency.
- The school’s Privacy Policy can be viewed in full, online at www.tkis.qld.edu.au

Extended Excellence Program and Mastery Program Conditions (for Secondary School Students only):

- Students are to attend all prescribed lessons, workshops, training sessions, etc, throughout the year.
- Students are expected to obtain levels of growth and improvement in their chosen field of specialisation.
- Students are also expected to maintain their academic and other school subjects at a level defined by the School Principal. If in the opinion of the School Principal, the student’s academic results are suffering due to participation in a Mastery or Extended Excellence Program, the Principal can suspend or cancel a student’s participation in that Program until academic results improve sufficiently.
- Extended Excellence Programs incur substantial costs that are NOT covered by standard Tuition Fees, etc. These programs also require considerable planning and commitment from all staff. For this reason, Extended Excellence Program fees are payable in advance on an annual (or percentage of remaining year) basis. A student’s enrolment may be cancelled if the fees have not been paid by the due date, unless arrangements have been made with the Principal regarding late payment.
- Though every effort is made by the staff, coordinators, instructors, coaches and volunteers of these programs to ensure the safety of all participants, it is a condition of entry that all participants of sporting programs (Equestrian, Golf, Tennis and Aviation) must acknowledge that participation in sporting activities can be hazardous and that TKIS accepts no responsibility or liability for any injury or loss that might be sustained as a consequence of involvement in these programs and that the undersigned indemnify the organisers and its representatives against all liability or loss (including liability for negligence) arising from participation in these programs to the fullest extent permitted by law.
- The Principal (or the Principal’s nominee) reserves the right to discipline, suspend or expel any student from a Mastery or Extended Excellence Program whose attitude or behaviour is not conducive to the school’s welfare.
- One full term’s notice is required in writing by the first day of the term prior to which a student intends to leave the school, otherwise a full term’s fee is payable in lieu. If the student is forced to leave in an emergency, it is at the Principal’s discretion as to whether this full term’s notice will be required or not.

Boarding Conditions (if applying for boarding):

- Students are to abide by all Boarding Rules of The Kooralbyn International School and the School is authorised to make decisions regarding the well-being, safety, study practices, leisure activities, language, daily routine and general behaviour of students while in the school’s care.
- Though the school will attempt to obtain permission prior to authorising any medical procedures, Parents/Carers hereby give permission for the school to authorise any emergency medical procedures it deems necessary for boarding students and Parents/Carers hereby accept financial responsibility for such medical procedures or examinations.
- Boarders are strictly forbidden from possessing or using drugs, alcohol or cigarettes while Boarding at TKIS.
- The school is to be advised of any medical condition, dietary needs or special medication required by the student.
