ACCOMMODATION POLICY

It is a student visa condition that students under 18 years of age live with:
- a parent, or
- a person who has legal custody of them, or
- a relative aged at least 21 (as defined by DIMA), of good character and with permission to reside in Australia for the duration of the student’s visa or until the student turns 18, nominated by either the parent or person having custody of them, or
- in School approved care arrangements.

It is School Policy that all overseas students live in School approved care arrangements until completion of their enrolled course.

If a student is not able to live with a parent, a person who has custody of them, or a relative meeting DIMIA requirements, the School will make appropriate accommodation and care arrangements for the student, which the student is obliged to maintain as a Condition of Enrolment.

Students moving to a new address, with School approval, must inform the school in writing and complete the appropriate forms advising of their new address prior to taking up residence at that new address. Students will be advised in writing, on arrival, of the need to comply with this requirement as a condition of their student visa.

Where students are staying in homestay arrangements under the care of adults who are not their parents, carers are required under government legislation in Queensland to hold ‘Suitability Cards’ which allow them to have supervision of children.

Information about living in homestay is provided in the booklet included in the enrolment package.
