

THE KOORALBYN INTERNATIONAL SCHOOL INTERNATIONAL STUDENT TRANSFER REQUEST POLICY

The Kooralbyn International School (TKIS) International Student transfer policy and processes apply to:

- overseas students requesting to transfer prior to completing the first six months of their first registered school sector course or
- where the student has completed the first six months of their enrolment in their first registered school sector course and wishes to transfer but the provider holds welfare responsibility via a CAAW.

International students requesting to transfer prior to completing the first six months of their first registered school sector course:

1. International students are restricted from transferring from their first registered school sector course of study for a period of six months. This restriction also applies to any course(s) packaged with their first registered school sector course of study. Exceptions to this restriction are:

 - b) The school has a government sanction imposed on its registration.
 - c) A government sponsor (if applicable) considers a transfer to be in the student's best interests.
 - d) If the student is granted a release in PRISMS.
2. Students can apply to be released by submitting an International Student Transfer Request Application at no charge to enable them to transfer to another education provider. However, if a student has not completed the first six months of the first registered school sector course of study or is under 18 years of age, conditions apply.
3. TKIS will only release a student before completing the first six months of their first registered school sector course in the following circumstances:
